**CHARLES PERRY**  
TEXAS STATE SENATOR  
DISTRICT 28

## **SENATOR PERRY'S COMMENTS ON SENATE RULES CHANGE**

LUBBOCK, TX – Today, Senator Charles Perry supported the successful Republican effort to change the Two-Thirds Rule to sixty percent.

Senator Charles Perry made the following statement about his vote:

*Modifying the Two-Thirds Rule was a top priority of Lt. Governor Patrick and a hallmark issue for Texans across the state throughout the campaign cycle.*

*After much deliberation, we settled on a 60% threshold as a senate body. A majority when merited should win the day, but never at the expense of the minority voice being shut out. This threshold should ensure protections for rural Texas, while simultaneously giving Republicans the votes necessary to the pass conservative legislation promised to voters.*
